Headteacher's Message:

Dear Parents/ Carers,

We have had a very pleasant week in school this week; the pupils have benefitted from the warm weather and have enjoyed being out in the school grounds and on visits, in the sunshine. The half term, is however, going by very quickly.

We have met this week with the School Building Team from the DfE, who are still undertaking surveys on site to help prepare a new design for the new school build. It is certainly a painstaking and very thorough set of tasks and one we know will take time to come to fruition. We are, of course, really excited about seeing the plans develop and when we have more concrete information to share with you, we will certainly do so.

Thank you to those parents who took the time to complete our 'parental survey' over the last few weeks. Your feedback has been really well received and we will look to action the requests you made individually in the questionnaire. In the meantime, if you have any concerns or questions, please do not hesitate to contact the Admin team on our dedicated email address admin@stjohnvianneyschool.co.uk and someone will come back to you to offer support or answer your query.

Can I remind you please that we are now planning for the final weeks of this academic year and are busy completing our annual pupil reports at present. These will be sent home in early July.

We are also planning on a number of events for pupils to mark the end of this year in school. Please remember that School closes for the summer break on **Friday July 16th at the earlier time of 1.30pm**. We have informed transport teams of this earlier finish. We reopen for the new academic year to pupils on **Tuesday 7th September at 9.00am**.

Very best wishes,

Mr A Moloney

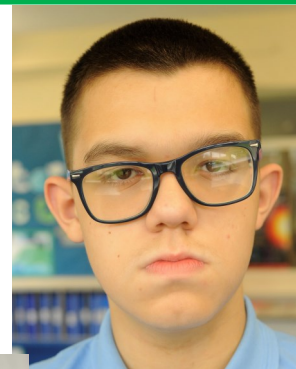

'Crafternoon' took place at school today. We will tell you all about it in next week's newsletter!

Well done to

Our Catholic School

Our spiritual focus this week in SJV, has been looking at what is the 'Kingdom of God' and how best can we help it grow? The Gospel reminds us that Jesus came to establish His Kingdom; a Kingdom of love. God asks us to share in the gift of his kingdom and we are reminded by Pope Francis; **'It is in the human heart that the kingdom takes root and grows'**. Here at SJV all that we do comes from love; we want to serve others and help them move on their life journey. The best way is to feel loved and secure.

Within our Catholic school we continue to celebrate Mass weekly face to face and share God's love with one another. We are preparing our leavers Mass, which will be a week today. This will be a bitter-sweet moment for us all. We know that the message of love and support will have taken root with our leavers and we will be there to support them on the next stage of their journey. The Chaplaincy team are practicing reading bidding prayers for our final Mass of the year in our bubbles.

It was a very important time this week for our year 11 and post 16 leavers in RE. I had the pleasure of holding the moderation for the Salford Diocesan Certificate of Education. It was wonderful to be able to celebrate the success with the other schools in the Diocese, as we looked at all the work they have done in the past 2/3 years.

With the rest of the school we continued to look at British Values and what it means for the believer in God. Also looking at the importance of growing the 'Kingdom of God' and celebrating the beauty of our world. We spent some time in SJV's own horticulture and garden area just ap-
