Statement of intent

St John Vianney School values all pupils and celebrates diversity of experience, interest and achievement. All pupils need to experience praise, recognition and success, and pupils with SEND have equal entitlement to this. At St John Vianney School all pupils have an Education and Health Care Plan, which identifies their areas of need and the support, strategies and adjustments needed to provide positive outcomes. In line with our Mission Statement we believe that everyone is of unique and equal value and that it is the responsibility of all staff, (in varying capacities), to work with pupils, parents/carers and other external agencies to provide the best outcomes for each pupil, within our Roman Catholic community.

This policy outlines the framework for St John Vianney to meet its duty, obligation and principal equality values to provide a high-quality education to all of its pupils.

Through successful implementation of this policy, St John Vianney aims to:

- Eliminate discrimination.
- Promote equal opportunities.
- Foster good relationships for all pupils with varying levels of SEND need.

St John Vianney School will work with the appropriate LA for each individual pupil, or equivalent, within the following principles, which underpin this policy:

- The involvement of children, young people and parents/carers in decision-making.
- The identification of children and young people's needs.
- Collaboration between education, health and social care services to provide necessary support.

2. Identifying SEND

All pupils who attend St John Vianney School have an EHCP plan in place, however there is still a need to regularly monitor and respond to pupils' varying SEND needs.

- St John Vianney has a clear approach to identifying and responding to SEND. We recognise that early identification and effective provision improves long-term outcomes for pupils.
- With the support of the SLT, classroom teachers will conduct regular progress assessments, utilising the SOLAR assessment platform for all pupils, with the aim of identifying pupils who are making less than expected progress and identifying strategies and interventions to improve rates of progress.

3. Definitions

For this policy, a pupil is defined as having SEND if they have a:

- Significantly greater difficulty in learning than most others of the same age.
- Disability, or health condition, that prevents, or hinders them from making use of educational facilities used by peers of the same age in mainstream schools, or mainstream post-16 institutions.

Under the Equality Act 2010, a disability is a physical, or mental impairment, which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

St John Vianney School regularly reviews how well equipped we are to provide support across the following areas:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and physical needs

Communication and interaction

- Pupils with speech, language and communication needs, (SLCN), have difficulty in communicating with others, often because they have difficulty saying what they want, they cannot understand

what is being said to them, or they do not understand, or use, social rules of communication.

St John Vianney recognises that:

- Pupils with Autism Spectrum Disorder (ASD), including Asperger's Syndrome and Autism, can have particular difficulties with social interaction.
- The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all the different aspects of speech, language, or social communication at different times of their lives.
- At St John Vianney, the designated form teams, together with the SENDCo and Assistant SENDCo, will work with pupils, parents/carers and language and communication experts, (where necessary), to ensure pupils with communication and interaction difficulties reach their potential.

Cognition and learning

- All pupils who attend St John Vianney School have an EHCP plan and all pupils have varying levels of cognition. All pupils at St John Vianney have learning difficulties at some level.
- St John Vianney understands that learning difficulties cover a wide range of needs, such as moderate learning difficulties, (MLD), severe learning difficulties, (SLD), and profound and multiple learning difficulties, (PMLD). At St John Vianney the SENDCo and Assistant SENDCo ensure that any provision offered will be suitable to the needs of the pupil.
- Specific learning difficulties, (SpLD), affect one, or more, specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.
- Where pupils have underlying mental health difficulties such as anxiety, or depression, the school has developed a range of strategies and interventions to support pupils with these difficulties. St John Vianney has two designated Mental Health First Aiders and a range of therapists who can provide appropriate levels of support, as required by pupils who may present with well-being concerns.

Social, emotional and mental health difficulties

- Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn, or isolated, or displaying challenging, disruptive and disturbing behaviour.
- St John Vianney recognises that these behaviours may reflect a child's sensory or physical needs.

Sensory or physical needs

- Pupils who attend St John Vianney School may experience a wide range of sensory and physical needs. These will often be highlighted on a pupil's EHCP and the SENDCo, Assistant SENDCo and form teams will work alongside the school's Occupational Therapist and Physiotherapist to establish routines, activities and objects of support which can be used in school, and at home, to support the child's needs.

4. Objectives

6. Children with specific circumstances

LAC

- Children at St John Vianney who are being accommodated, or who have been taken into care, by the LA are legally defined as being 'looked after' by the LA.
- St John Vianney has a designated member of staff for coordinating the support for LAC. This at St John Vianney is the SENDCo.
- Where that role is carried out by a person other than the SENDCo, designated teachers should work closely with the SENDCo to ensure that the implications of a child being both looked after and having SEND are fully understood by relevant school staff.

EAL

- The school gives particular care to the identification and assessment of pupils whose first language is not English.
- It is necessary to consider the pupil within the context of their home, culture and community.
- Where there is uncertainty about an individual pupil, St John Vianney will make full use of any local sources of advice relevant to the ethnic group concerned, drawing on community liaison arrangements, wherever they exist.
- St John Vianney will look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English that is used there or arise from SEND.

7. Admissions

St John Vianney will ensure it meets its duties set under the 'School Admissions Code' by:

- Adopting fair practices and arrangements in accordance with the 'School Admissions Code'.

- Decisions about a provision will not unnecessarily disrupt a pupil's education or any health treatment underway.

- **Comprehensive:** Parents/carers and pupils will know what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The Local Offer will include eligibility criteria for services, where relevant, and make it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.

- **Up-to-date:** When parents/carers and pupils access the Local Offer, it is important that the information is up-to-date.

12. Graduated approach

When any further SEND needs are identified, the school will employ a graduated approach to meet the pupil's needs by:

- Establishing a clear assessment of the pupil's needs.
- Planning, with the pupil's parents/carers, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
- Implementing the interventions, with the support of the SENDCo and Assistant SENDCo.
- Reviewing the effectiveness of the interventions, and making any necessary revisions.

13. Assessment

- All pupils at St John Vianney have an EHCP, however there may be occasions where school or parents/carers feel that a further assessment should be sought. At such a time, school will liaise with parents/carers and the LA following appropriate steps to access the necessary assessment. - Staff will be briefed about any potential problems and a procedure will be put into place to deal with certain situations.
- The school will specify the outcomes sought for a pupil in terms of specific, measurable, achievable, realistic and time scaled (SMART) outcomes.
- The school will ensure that each pupil's EHC plan includes the statutory sections outlined in the 'SEND Code of Practice: 0 to 25 years', labelled separately from one another.
- If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment.
- Thereafter, the Governing Body or Headteacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.
- Following the re-assessment, a final EHC plan will be issued within 14 weeks from the request being made.
- The school will ensure that any EHC plan information is kept confidential and on a need-to-know basis.

- Information regarding a pupil's EHC plan will only be shared with other educational institutions if the pupil is transferring there, for the institute to develop an individual learning plan.
- The school will take steps to ensure that pupils and parents/carers are actively supported in developing and reviewing EHC plans.
- Where necessary, the school will provide support from an advocate to ensure the pupil's views are heard and acknowledged.

17. Reviewing the EHC plan

- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Cooperate with the LA during annual reviews.
- Lead the review of the EHC plan in order to create the greatest confidence amongst pupils and their family.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and endeavour to send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Prepare and send a report of the meeting to everyone invited within four weeks of the meeting, which sets out any recommendations and amendments to the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the personal education plan (PEP) element.
- Where necessary, facilitate support from an advocate to ensure the parent's views are heard and acknowledged.
- Provide the LA and parents/carers with any evidence to support the proposed changes and giving those involved at least 15 days to comment and make representations.
- Clarify to the parents/carers and pupil that they have the right to appeal the decisions made in regards to the EHC plan.

18. Safeguarding

The school recognises that evidence shows children with SEND are at a greater risk of abuse and maltreatment and we will ensure that staff are aware that all pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including, but not limited to, peer-on-peer abuse, neglect and sexual violence or harassment.

The school recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, though are not limited to,

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's condition without further exploration.
- These pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in managing or reporting these challenges.

The Headteacher and Governing Body will ensure that the school's Child Protection and Safeguarding Policy reflects the fact that these additional barriers can exist when identifying abuse. When using reasonable force in response to risks presented by incidents involving pupils with SEND, staff will have due regard for the procedures outlined in the school's Physical Intervention Policy.

Care will be taken by all staff to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL in collaboration with the SENDCo.

19. Transferring between different phases of education

EHC plans will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of, support and provision at the new phase.

The key transfers are as follows:

- Early years provider to school
- Infant school to junior school
- Primary school to secondary school
- Secondary School to Post 16 provision

For pupils moving from secondary school to a post-16 institution or apprenticeship, the review and any amendments to the EHC plan, including specifying the post-16 provision and naming the institution, must be completed by the 31st March in the calendar year of the transfer. At St John Vianney School these reviews will take place in the autumn term prior to aid the transition process.

20. SEND tribunal

- All disagreements about an EHC plan will be attempted to be resolved as quickly as possible, without the pupil's education suffering.
- In all cases, St John Vianney's written complaints procedure will be followed, allowing for a complaint to be considered informally at first.
- Following the use of informal resolutions, the case will be heard in front of three people, who are members of the school governing body.
- Following a parents/carers serious complaint, or disagreement about the SEND provisions being supplied to a pupil, the school will contact the LA immediately to seek disagreement resolution advice. Where necessary, the Headteacher will make the relevant parties aware of the disagreement resolution service.
- St John Vianney will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'SEND Code of Practice: 0 to 25 years'.
- If disagreements are not resolved at a local level, the case will be referred to the Education and Skills Funding Agency (ESFA).
- The school will fully cooperate with the LA by providing any evidence or information that is relevant.
